

NEW ENGLAND REGION CARRIAGE ASSOCIATION OF AMERICA

SAVE THE DATE!

The New England Region/Carriage Association of America Learning Weekend
March 3rd, 4th, 5th, 2023
Newport, Rhode Island

We have a line up of interesting speakers, tours of historic stables and Newport estates and on Saturday evening a secret screening of an award winning short documentary about an unusual driving adventure, something perhaps we all wish we could have done. Following the screening will be a talk and Q&A with the producer and participants. You will be enthralled by this beautifully produced and heart warming film.

Please join us and encourage anyone you know who drives or is interested in driving to become a member of the NER/CAA and join us as well.
The program details and itinerary to follow.
